the shiners of sun & light -  
bulb will be absent from  
existence

①

& the Little Suicideface of  
frolicking halfanimals  
will hike to the oblivion-  
mountain to get a better  
view of the Nothing

(2)

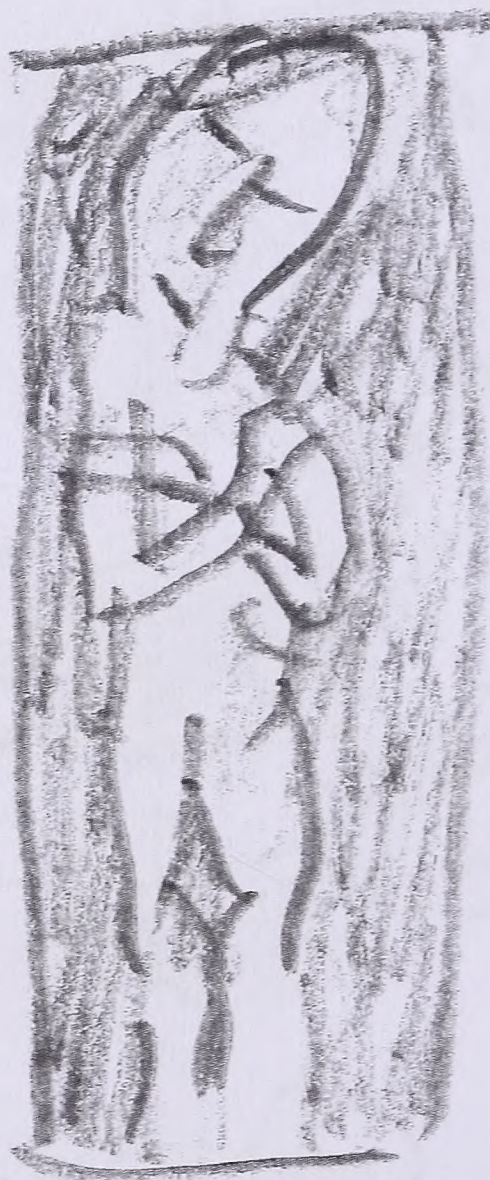

& after inspecting the  
Nothing's lovely features  
it will take off it's  
intelligent shoes

(3)

& tra-la-la the finality  
song barefootedly:  
oh how sour is the  
evening  
ding-dong, ding-dong

(4)

& then the benevolent  
doddle-skys clouds will  
burst & voracious crickets  
will descend on the  
private-property-planet

(5)

& oh what a lovely feast  
they will have with the funds  
of the international  
monetary fund!

oh you totality of the  
customtailored Nowhere!  
the horizon is ripe!  
the distinguishers flee!

& you rattle the bones in  
your ribcase if you can  
& join immortality!
